IWCE
Connecting Critical Communications

Are YOU ready for... IWCE 2020?!

We're only **5 weeks out**, here's what you need to know leading up to the show!

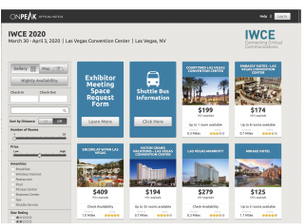

Visit the IWCE 2020 Exhibitors

Make sure to check out our 80,000 square foot exhibit hall filled with nearly 400 exhibitors, and 6,500+ industry professionals from around the world attending from government, public safety, utilities, transportation, professional services and the dealer community.

InGo

Now that you're registered, make sure the industry connections you want to see will be there too! Invite your peers and colleagues to join you @IWCE by simply signing into InGo and using your social media platform of choice. You can see who from your social network will be there and let them know you'll be there too.

SAMSUNG

DIAMOND SPONSOR

From business entities to public safety, mobility has become a must-have capability and Samsung is introducing a new paradigm that is both cost-effective and powerful. Tomorrow's Tech Today!

AXON

Every Axon product works together as a single network. Seamlessly connected. And designed to give law enforcement the tools they need to focus on what matters, get to the truth faster and make the world a safer place.

INTERTALK™

InterTalk™ specializes in the design, development and delivery of critical communication systems for public safety, transportation, government, and critical infrastructure markets. Our leading product, Vantage DCS, is an exact-fit dispatch console system capable of integrating voice and data communications from a wide range of sources including analog and digital radio systems, traditional telephony, and VoIP channels.

L3HARRIS
FAST. FORWARD.

L3Harris Technologies is an agile global aerospace and defense technology innovator, delivering end-to-end solutions that meet customers' mission-critical needs. The company provides advanced defense and commercial technologies across air, land, sea, space and cyber domains. L3Harris has approximately $17 billion in annual revenue and 50,000 employees, with customers in 130 countries.

IWCE 2020: Moving Forward With Environmental Sustainability Initiatives

From the venue to the catering to the features in our exhibit hall, **IWCE is making strides to improve our environmental impact** while maintaining the event standards our attendees have come to love. Working with the Las Vegas Convention Center and GES, IWCE's commitment to sustainability includes:

- Recycling programs that divert on average 3,500 tons of material from landfills annually
- Using 100% recycled materials in the graphics, flooring and furniture
- Improving energy savings by 40% with more energy-efficient lamps
- Offering vegetarian and vegan meal options

DISCOVER MORE ABOUT IWCE'S GREEN INITIATIVES HERE.
